**PUBLIC HEARING**

Hear Public Comment on Proposal and Application of Community Development Block Grant (CDBG) funding for the Craig County Resource Center.

Mr. Eddie Wells with the Roanoke Valley Alleghany Regional Commission provided a Powerpoint presentation on the grant for the Craig County Resource Center.

Mr. Spence opened the Public Hearing for comment:

1. Fred Cook, Craig Citizen, opposed
2. Marge Lewter, DVM, Citizen, in-favor
3. Joseph McClung, Rich Creek, opposed
4. Susan Stimling, Citizen, in-favor
5. Bill Wolf, Citizen, in-favor

6. Kermit Daniel, Citizen, neutral
7. Sharon Oliver, Citizen suggested putting on ballot for voting
8. Woody Lippes, Citizen opposed

With no further comments from the public, Mr. Spence closed the public hearing for Board comments

1. Ms. Toelke said that this has been in process for a couple of years, in the beginning she was not a huge supporter. But because there were no grants available for Libraries the Resource Center was suggested. She supports applying for the grants.
2. Mr. Spence said that he voted previously to apply for the grants and would support something similar but not as large a scale. He does not see how applying for the grant binds us to accept the grant. He would like to see if it could be built without taxing the public.
3. Mr. Zimmerman said that the project has continued for over 3 years with lots of time, resources and money already invested. He felt that more of the public needed to be heard. He had received many calls opposed to the project. There are already County properties that need attention such as Camp Mitchell, Fenwick Mines and the Crown Building which are already burdens on the taxpayers. He feels the Board's time would be better spent supporting a more sustainable option.
4. Mr. Spence said that the building of the Resource Center would not be the problem but the sustainability of it would be a problem.

#### ACTION AS A RESULT OF PUBLIC HEARING

Mr. Collins said that if the Board would like to continue with a motion concerning the project, he prepared two possible resolutions for the Board in advance. One option being to rescind support of the project and the other would be to continue supporting the project.

Mr. Zimmerman made a motion to approve Resolution R20-16A Rescinding Support and Commitment of Funds for the Craig County Resource Center's Applications Seeking ARC and CDBG Grants, Mr. Bailey seconded the motion. Voting was as follows: Mr. Zimmerman, yes, Ms. Toelke, no, Ms. Dunne, yes, Mr. Bailey, yes, and Mr. Spence, no.
